SKILLS CHECKLIST

<u>SKILL</u>	<u>No experience</u>	<u>Limited experience</u>	<u>Requires further training</u>	<u>Experienced</u>
Adult complex care				
Children's complex care				
Patient Observations & Recordings				
Respiratory				
Saturation monitoring				
Cardiovascular /HR/Pulse				
DINAMAP/BP				
Neurological/Psychological				
Wound Care				
Nutritional Requirements				
Fluid Balance				
Drug Administration Practice and Procedures				
Calculations Oral				
Administrations PEG/NG/NJ				
SC Injection (insulin)				
Topical medication-creams/patches				
Rectal - suppositories				
O2 Therapy				
Nebulisers				
PICC Line/long lines/Porta Cath care				
Palliative care/end of life				
Equipment Syringe Drivers				

<u>SKILL</u>	<u>No experience</u>	<u>Limited experience</u>	<u>Requires further training</u>	<u>Experienced</u>
Patient Controlled Analgesia - PCA				
Enteral Feeding				
Feeding pumps				
Trouble shooting				
Giving sets				
Gastrostomy management				
PEG tube care/Balloon water change				
Nasogastric - NG Tube Insertion				
Nasogastric - NG tube care				
Jejunostomy tube care				
Checking blood sugars				
Venepuncture				
Management of IVI				
Paediatric Life support - PLS				
Basic Life Support				
Epilepsy/Seizure Management				
Buccal Midazolam				
Colostomy Care				
ANTT - Aseptic Technique				
Spinal Injuries/bowel care/evacuation				
Catheterisation - Female				
Catheterisation - Male				

<u>SKILL</u>	<u>No Experience</u>	<u>Limited Experienced</u>	<u>Requires further training</u>	<u>Experienced</u>
Tracheostomy				
Change of tapes				
Tracheostomy care/care bundles				
Laryngectomy care				
Change of Tracheostomy tube				
Change of inner tubes				
Suctioning Infants				
Suctioning Children				
Suctioning adults				
Oral Suctioning				
Emergency Procedures				
Ventilation				
Ventilation care				
NIPPY				
Stellar BIPAP				
Phillips Respironics				
Astral -Resmed				
Trilogy				
CPAP				
BiPAP				
Humidifier in circuit				
Set up				
Changing circuit				

<u>SKILL</u>	<u>No Experience</u>	<u>Limited Experience</u>	<u>Requires further training</u>	<u>Experienced</u>
Trouble shooting				
Management				
Humidified Air Nebuliser				
Set Up				
Management				
Nasal Cannula				
Face Mask				
Epidural Management				
Care of Epidural				
Assessment of Site				
Emergency Procedures /Removal				
General				
Infection control				
Donning/Doffing PPE				
Hand hygiene				
Food hygiene				
Emergency Procedures EPIPEN/Anaphylaxis/choking				
COSHH				
Fire Procedures				
Oxygen cylinder				
Oxygen Concentrator				

<u>SKILL</u>	<u>No Experience</u>	<u>Limited Experience</u>	<u>Requires further training</u>	<u>Experienced</u>
Documentation				
Observations				
Care Pathways				
Documentation of care				
Ability to prioritize Care
